VetCor Professional Practices

HINGHAM, MA

VetCor, founded in 1997 and headquartered in Hingham, MA, owns and operates a national family of 41 exceptional veterinary hospitals with over 130 veterinarians and 500 supporting staff members. VetCor hospitals provide a full range of general medical and surgical services for pets, as well as pharmacy needs and ancillary services such as boarding, grooming, and pet products. The Company has distinguished itself by promoting the local identity of each hospital, offering a family friendly work environment, providing management, training and administrative support to its hospitals, and relying on the veterinarians of each hospital to manage their medical direction.

Cressey & Company, with offices in Chicago and Nashville, is a private investment firm focused on the healthcare industry. The principals of the firm have been active healthcare investors for nearly three decades and have invested in a wide range of healthcare businesses. Cressey & Company seeks to invest in high-potential segments of the U.S. healthcare market and apply its skills and expertise – along with its capital – to enhance the performance and accelerate the growth of its portfolio companies.
